re: docket 7466  
Investigation into Petition Filed by Vermont Department of  
Public Service re: Energy Efficiency Utility Structure

Dear Mrs. Hudson:

The Group of Municipal Electric Utilities ("GMEU") joins in the comments filed by Central Vermont Public Service Corporation in its letter filed today. The collaborative efforts of the parties have resulted in an appropriate balancing of many interests, and promote the goals of transparency and oversight regarding EEU activities. Moreover, the documents offer sufficient opportunity to make adjustments and changes as all parties gain experience under the revised structure.

Thank you for this opportunity to comment.

Very truly yours,

  
David John Mullett
